## LOVE, MY MOTIVATION

There is much confusion about this thing called love. Authentic love is best defined as, "a profound involvement in the well-being of another; loving the unlovely unconditionally."

To be moved or motivated by love means "to provide with an incentive; move to action; impel."

Love, for the follower of Christ, is a must (2 Corinthians 5:14).

Love is the greatest and most excellent way (1 Corinthians 12:31-13:8; Romans 12:9-21).

Love is to be our life-style (Ephesians 5:1-2).

Love, above all, is the primary motivation for our caring for one another (1 Peter 4:7-10).

Love, God-Love, is the true identifying virtue of a genuine follower of Jesus (John 13:35; Romans 5:5; 1 Thessalonians 4:9-10).

Love, the love of God, is to be "the love" of all followers of Jesus Christ (John 3:16; 1 John 4:7-21, 5:3).

He calls us to love: will we follow?

He commanded us to do so: will we obey?

To NOT love is not merely disobeying but it is immoral not to love for we "ought" to do so (1 John 4:11)!

Love in motion is "the engine that moves us": Will we allow His motivating love for us be motivation ("move us") to love Him and those whom he loves?

LOVE IS THE MOTIVE Because God-Love Is The Greatest (1 Corinthians 13:13).

LOVE IS THE MOTIVE Because God-Love is Eternal: A Holy, Everlasting Love That Is The Motivation Of All That He Does (John 17:23-24). God Was Love And Loving:

...The Divided Kingdoms, Exile and the Remnant's Return (Read Hosea for a study in God's Grace Given Love).

...The 400 "Silent Years" – But God's Providential Love was not silent!

...At "the fullness of the times" – the greatest expression of His love – in sending His only Son – "His great love where he loved us..." (Romans 5:1-6; Galatians 4:4; John 3:16).

LOVE IS THE MOTIVE Because God-Love Is Real, Absolute And Active: God In Christ, His Beloved, Loving Us. Love Is The Motivating Action For Everything That God (Love) Does!

...His teaching – prompted by love.

...His miracles – performed by love.

...His life – propelled by love.

...His death – provided by love.

...His resurrection – powered by love.

...His sending the Holy Spirit – presented by love.

...His return for His own – pronounced by love.

...His sharing of His inheritance – promised by love.

LOVE IS THE MOTIVE Because God's Love Is Personal (Galatians 2:20; Romans 5:6-8; Luke 15:1ff): Indeed, Love Lifted ME!

God's Motivating Love: The Abundant Life Reality.

His Love brings healing to a broken relationship. His Love brings about peace with God, yourself and others. His Love provides the desire and determination to forgive. His Love appreciates and accepts those "unlike us". His Love brings about togetherness after there has been fragmentation. His Love brings peace and joy where there has been brokenness and sadness. His Love crucifies selfishness allowing the raising up out of the heart "goodness, self-control, humility, kindness, gentleness, patience and unity".
